

The Women's Club at Hagerstown was incorporated in 1921 and is the oldest women's organization in Washington County. The Club is an outgrowth of the "Forward Club", a group of ladies who had been active during World War 1 in war relief projects. After the war was over, this group decided that they enjoyed being outside their homes and wanted to continue being together. The Women's Club movement was very popular at that time.

As an organization, we are stewards of our historic 1838 Federal Style home which is listed on the National Register of Historic Places.

We are a social club offering many activities and events for our members. Many are listed in the application

We are a service club offering rooms for women of need on the second floor. This has been our primary mission for over 100 years. Other service activities include Children in Need, REACH, CASA, and Micah's backpack. We also help with the Salvation Bell Ringing and United Way gift wrapping at Christmas. The Women's Club Foundation is proud to offer scholarships to local women.

MISSION

The Women's Club at Hagerstown, Inc. enriches the lives of our members and the community through a legacy of women's fellowship, charitable service, and stewardship of our historic building which provides a place for civic and cultural programs, social events and room rentals for women in need of safe, affordable housing.

VISION

Our members are a vibrant group of women who show up to cultivate friendships and to make a difference in our community.
